Meet the handiest little on-the-go lifesaver! This budget-friendly giveaway is ready for whatever adventure life offers. With an assortment of first-aid items tucked inside a convenient, lightweight, non-woven 80 GSM bag, it's an absolute must-have for trade show swag, health and wellness programs, schools, and more! 5" W x 6" H

Practical, portable, and oh-so-useful in a pinch, this little kit includes:

- 5 Adhesive bandages
 - 4 Junior adhesive bandages
 - 2 Antiseptic towelettes
 - 2 Extra-large bandages
 - 1 Triple antibiotic ointment packet
- Plus, a first aid care card for quick reference

Soothe-It™ Ice/Heat Pack

Item# 1655

Help relieve those aches and pains with this adaptable gel pack! Made from soft PVC, it molds to your body for targeted comfort. Freeze for cooling relief or heat for soothing warmth — perfect for headaches, sore muscles, and more. 4.5" H x 5.5" W

Promotional Plush Puppies

Items# 1726, 1729, & 1728

Meet our favorite furry friends: Zach the Yellow Lab, Bear the Black Lab, and Tucker the Chocolate Lab! Perfect for easing nerves and brightening days, each pup is soft, huggable, and ready to provide some much-needed comfort and companionship. Each stuffed dog is perfectly sized for snuggles and easy to add your logo with a printed accessory.

Femur Bone-Shaped Pen

Item# 24045

Make a bone-a-fide statement with this super unique femur bone pen! Perfect for orthopedic doctors, chiropractors, hospitals, and other medical offices and institutions, it's a one-of-a-kind conversation starter ballpoint pen that's sure to leave a lasting impression on your patients.

Spine-Shaped Keyring

Item# 24048

Take your marketing to the next level with this quirky and fun human spine and pelvis keychain! Anatomically correct and totally unique, this keychain will grab attention and spark conversation. It's made from durable white plastic with a wide metal split ring, making it super easy to clip onto keys, bags, or work lanyards. Add a logo or message to make it the perfect giveaway.

Tundra Recycled 9-Can Lunch Cooler

Item# 2600-04

The Tundra Recycled Lunch Cooler is the perfect sidekick for hungry healthcare heroes! Designed to keep meals fresh, it's made from environmentally friendly RPET, so both the PEVA lining and the exterior are kind to the planet. It's the perfect size for bento boxes, and it has an insulated compartment to keep snacks and drinks at just the right temperature. Plus, 1% of every sale supports nonprofits dedicated to saving and preserving our planet —so it's a win for everyone! 6.5" D x 8.5" W x 10" H

Spine Squeezies® Stress Reliever

Item# 26689

Ease the tension and showcase your expertise with a spine-shaped stress reliever! Perfect for anyone in the business of alleviating back pain, this fun stress reliever is great for surgeons, massage therapists, and chiropractors. Not only does it help patients relax, but it also doubles as a spine-tingling way to promote services. 3.24" L x 2.25" W

Kneado Handheld Massage Gun

Item# 34110

Say goodbye to muscle soreness and hello to relaxation with the Kneado massage gun! This innovatively compact massage gun has four interchangeable massage heads and four customizable intensity speeds, making it easy to target trouble spots or enjoy a full-body unwind after a long day. Its sleek and lightweight design fits comfortably in hand, and its premium packaging makes it a breeze to use and store!

7-Day Med Minder

Item# 3560

This pill organizer features seven rounded compartments that make medication easy to access, helping users effortlessly manage their daily doses. The angled imprint area on the front of the organizer provides a perfect space to showcase names or logos, making it an excellent choice for advertising and branding initiatives. This compact organizer is easily portable and storable, making it the perfect solution for individuals with busy lifestyles.

1 oz. Protect™ Hand Sanitizer

Item# 3671

Now, this is the perfect on-the-go solution for protecting your patients and staff! Housed in a sleek, clear bottle, this handy gel kills bacteria, germs, and viruses while keeping your recipients feeling refreshed with its citrus scent. The front of the bottle can be personalized with your branding—making it a fantastic promotional tool for your practice or hospital.

Rainbow Heart Gel Beads Hot/Cold Pack

Item# 38075

Get magically soothing relief every time you use this hot/cold pack! These adorably heart-shaped packs are filled with gel peas that mold easily to your body, relieving life's aches and pains. Just microwave it for a few seconds for a warm, soothing experience, or freeze it for cooling relief whenever needed.

Capsule Squeezies® Stress Reliever

Item# 26313

Relieve stress in style with this capsule-shaped stress reliever. This unique design not only provides a great way to unwind and relax, but also makes a statement about promoting health and wellness. Perfect for pharmacies, hospitals, and any business looking to promote a healthy lifestyle, this stress reliever is sure to catch everyone's eye.

Doctor's Bag Deluxe First Aid Kit

Item# 97-151

Stay prepared for anything with the Doctor's Bag deluxe first aid kit—the ultimate solution for all your first aid needs! This comprehensive kit includes over 80 bandages and dressings, 50 antiseptics and wipes, plus a wide variety of essential accessories to handle any situation. It also includes a first aid booklet offering expert guidance on effectively using the supplies. The bag is durable, water-resistant, compact, and portable to bring peace of mind wherever the emergency is.

Desk Blotter Calendar

Item# A448

We all need a calendar in front of us while making our next doctor or dentist appointment—and this desk blotter calendar is just the thing! Whether in a doctor's office, dental practice, or any other healthcare space, this vibrant calendar will help keep those pesky reschedules at bay. Twelve full color monthly sheets make your logo and info stand out, while the chipboard backing keeps everything sturdy. Let's get your practice on the calendar! 22" W x 17.25" H

Municipal Eco-Friendly Messenger Bag

Item# B-A3007

Get ready to carry all those essentials in style with this clear messenger bag! Perfect for giveaways at healthcare conferences or gifting to healthcare professionals at your hospital, this bag is biodegradable, making it Earth-friendly too! It has a spacious main compartment, front pocket, and handy side mesh pockets to organize a doctor's or nurse's gear, from medical tools to snacks for a long shift. 10.6" W x 11.4" H x 3.8" L

Carabineer Retractable Badge Reel

Item# BCROV09

The perfect accessory for healthcare heroes, this carabiner retractable badge reel helps keep ID badges and keys secure! It features a sleek 1" round body with a 28" retractable nylon cord to make accessing badges and keys a breeze. Plus, with the sturdy plastic adapter base and vinyl snapback step, it can handle the hustle and bustle of a fast-paced work environment!

Stethoscope ID Tag

Item# 3820

This stethoscope ID tag is a must-have accessory! Explicitly designed for stethoscopes, this innovative clasp features a write-on surface on the back, making it easy to personalize or identify. The large round imprint area is perfect for advertising your practice or hospital. Plus, it's ideal for most stethoscopes, offering a secure solution for keeping equipment safe.

Tethys 6-Piece Take Everywhere Safety Kit

Item# FA125

You've got preparedness in the bag with this 6-piece safety kit. Add your message and logo to the zipper storage pouch to remind recipients that you value safety. The kit includes:

- Antibacterial Gel Sanitizer
- 2 Cleansing Wet-Wipe Towelettes
- Face Mask
- Hybrid Gloves
- Carrying Pouch

Full-Color Process Clipboards

Item# FCB100

Whether charting patient information, filling out forms, or taking notes in the office, these durable, plastic, full-color print clipboards provide a sturdy writing surface for hospitals or doctor's offices. It's designed with a secure clip and holds standard 8.5" x 11" documents and notepads. Practical, professional, and personalized—this clipboard is perfect for healthcare pros and patients alike.

Badge Mate

Item# HID30-V

At the hospital, every interaction matters—help patients feel more at ease by wearing a badge that proudly highlights your role alongside your ID. Whether you're a surgeon, physician, nurse, or another valued team member, this badge makes it simple for patients to know who's by their side. This small yet powerful tool reduces anxiety and builds trust during challenging moments. It features a convenient slot for easy wearing and combines practicality with personalization to suit any style.

Heart-Shaped Stress Reliever Key Chain

Item# LKC-VH07

This cute and practical heart-shaped stress reliever key chain is designed to bring a little joy and stress relief during busy office hours. It's the perfect size to attach to keys, bags, or lanyards, making it a thoughtful reminder of heart health on the go. Crafted from soft, squishy polyurethane, this slight heart shape is not just adorable, it's also a handy tool to relieve tension when things get hectic. A unique giveaway for cardiologists and hospitals, this charming key chain will help spread love, heart health, and relaxation with every squeeze!

Dye-Sublimation Lanyards

Item# LDS34

Perfect for making a bold, professional statement, these top-tier lanyards feature vibrant, custom artwork that grabs attention and adds a polished touch to any healthcare setting. Your logo or design is digitally transferred for a crisp and vivid look. With four attachment options: j-hook, keyring, bulldog clip, or lobster claw, you can customize the lanyard to suit your hospital's specific needs, whether at health fairs, healthcare conferences, or just for hospital staff.

Vila Recycled Utility Tote

Item# SM-5731

Add your logo or messaging to this practical tote as an ideal companion for nurses, doctors, and healthcare professionals who need a convenient way to carry their essentials. With a spacious main compartment and five exterior pockets, this tote is perfect for organizing medical supplies. Whether for carrying a change of scrubs, snacks, medical gear, or for days at the practice, this versatile tote keeps everything in one place and easily accessible. Plus, with 1% of every purchase supporting environmental nonprofits, you contribute to a healthier planet while helping your staff stay organized. 7" D x 18" W x 12.5" H

WonderWink® Unisex WorkFlex™ Top

Item# MWSM122

Made in the USA and crafted from a blend of 65% polyester and 35% cotton, this top boasts ultimate comfort. It also features a sleek v-neck, mechanical stretch, a convenient shoulder badge loop, a left chest pocket with a pen slot, side vents for breathability, and a classic fit. Get protection and style with this versatile top for lab activities and healthcare professionals.

WonderWink® Unisex WorkFlex™ Scrub Jacket

Item# MWSM123

Made from a durable blend of 65% polyester and 35% cotton, this jacket features a shoulder badge loop and rib knit cuffs for extra convenience, a 5-snap front closure, hidden accessory loops, and side vents for breathability. This classic fit jacket is perfect for lab activities and healthcare professionals, delivering comfort and functionality in one versatile design.

**Prestige Medical - CPR
LifeMask® in Keychain Bag**

Item# PREM2

This compact and efficient CPR mask is designed for maximum protection with a high-quality 3M® Filtrete™ anti-viral filter. The patented one-way valve guarantees no cross-contamination, ensuring safe and reliable use. Plus, it's conveniently packaged in a nylon zippered keychain bag, so it's always within reach when needed.

Solid Jersey Gel Mouse Pad/Wrist Rest

Item# SM-3310

This Solid Jersey gel mouse pad/wrist rest is the perfect addition to any hospital or doctor's office workspace, providing much-needed comfort for your staff during long hours at the desk. Designed to alleviate wrist fatigue with plush gel padding, it ensures that staff members stay comfortable while managing patient records, scheduling, or other administrative tasks. The non-slip rubber base keeps the pad secure, and the wrist rest offers 1" thickness for added support. 9" D x 7.5" W

My Medical History Organizer

Item# M455

Help your patients be prepared for any emergency with a medical history organizer. This handy accessory ensures that your patients' critical medical details are always within reach, whether on a fridge, cabinet, or wall. The modern sticky backing can also be easily applied to any non-porous surface. 4.25" L x 5.25" W

Thule Indago Backpack

Item# TH-INDAGO23BK

Crafted from recycled materials, this environmentally conscious backpack is Bluesign® approved, making it the ideal accessory for businesses that prioritize sustainability. It also offers ample space and versatility for various activities, whether carrying essentials for a shift at the hospital or packing for weekend outings. Its sleek design and eco-friendly composition make it a fashionable and socially responsible choice for your promotional needs. 19" L x 14" W x 4" H

Wellness Travel Kit

Item# WKZB-1

Get ready to spread some wellness cheer with these wellness kits! Perfect for healthcare heroes, this kit is full of goodies to keep everyone feeling their best. Inside, you'll find an Emergen-C packet, a Liquid IV packet, an Advil packet, sugar-free peppermint gum, Snyder's mini pretzels, a sugar-free iced tea Crystal Light packet, two LifeSavers, and a handy hand wipe for fresh, clean hands. Whether for a nurse or doctor, this kit has everything to keep your staff feeling fabulous. Note: substitutions may apply, but the happiness stays the same. 5.75" W x 8.25" H

Wheat Straw Lunch Box Set

Item# WSLBS

Say hello to lunchtime with the eco-friendly lunch box set! The perfect companion for nurses grabbing a quick bite, a doctor between rounds, or a staff member powering through the day, this lunch box has got your back. Inside, you'll find a handy fork and spoon, so there's no need to hunt through the back of drawers for a lone take-out packet. It's compact for stashing in lockers, breakrooms, or nurse station nooks. Plus, it's made from durable wheat straw and BPA-free polypropylene plastic, destroying hunger but not the planet! 5.75" W x 8.37" W x 3" H

Cherokee® Workwear Originals Unisex Cargo Pant

Item# SPI4100

Introducing versatile unisex scrub pants, perfect for the fast-paced world of healthcare! Designed for all-day comfort, these pants feature a natural rise and an adjustable webbed drawstring waist to ensure a secure fit during busy shifts. Practicality meets functionality with a handy back pocket, a spacious cargo pocket, and an interior cell phone pocket—ideal for keeping essentials close at hand. Crafted from a durable 65% polyester and 35% cotton poplin blend with soil-release properties, these pants are built to last.

Cherokee® Workwear Originals Unisex Tunic Shirt

Item# SPI4777

Introducing the versatile unisex tunic, a favorite among healthcare professionals! Designed with stylish Dolman sleeves and a flattering v-neck, this top offers a clean and professional appearance. A convenient chest pocket with a pen slot adds practicality, making it ideal for nurses, doctors, and medical staff. Crafted from a durable 65% polyester and 35% cotton poplin blend with soil release, this tunic is built to withstand the demands of busy shifts while maintaining comfort and style.

Nike® Dri-FIT Micro Pique 2.0 Polo Shirt

Item# NKDC1963

Stay calm, comfortable, and professional with the Nike Dri-FIT Micro Pique 2.0 Polo, now tailored for busy healthcare professionals. Whether running between patients, attending meetings, or working long shifts, this polo delivers all-day ease with its stretchable micro pique fabric and enhanced Dri-FIT moisture-wicking technology.

Now available in five fresh designs, this updated classic features refined design lines for a polished fit perfect for doctors, nurses, and medical staff.

Nike® Ladies Dri-FIT Micro Pique 2.0 Polo Shirt

Item# NKDC1991

Level up workday attire with the Nike Dri-FIT Micro Pique 2.0 Polo, perfect for women in healthcare! Designed for style and function, this updated polo is ideal for nurses, doctors, and medical staff who need comfort and professionalism.

The ultra-soft, stretchable micro pique fabric and advanced Dri-FIT moisture-wicking technology keep wearers cool and dry during busy shifts. Featuring a flattering self-fabric collar, open neckline, side vents, and rolled-forward shoulder seams for added comfort. The sleek Swoosh logo on the left sleeve adds a touch of sporty flair.

Ladies' Cotton Cardigan

Item# 7056

Wrap up in comfort and style with this lightweight cotton blend cardigan, perfect for keeping cozy during long shifts at the hospital or clinic. The smooth, soft finish feels gentle against the skin, making it a favorite for nurses, doctors, and healthcare staff who need a versatile layer for chilly offices or patient rounds. Designed to flatter all shapes, the cardigan features full-fashioned sleeves, a tubular cuff and hem, and a long length that adds a touch of elegance. Made from a blend of 52% cotton, 31% acrylic, and 17% nylon, it offers just the right balance of warmth and breathability.

WonderWink® Women's Consultation Lab Coat

Item# MWSM126

Stay protected and polished with the WonderWink® Women's Consultation Lab Coat, designed for healthcare professionals who value safety and style. Crafted from a durable blend of 65% polyester and 35% cotton poplin, this lab coat protects against spills, splashes, and contamination, making it a trusted choice for busy nurses, doctors, and lab technicians. This lab coat's clean lines and professional fit ensure a polished look, perfect for patient consultations or rounds. Stay safe, stay sharp, and let this lab coat work as hard as you do! Made in the USA.

Wheat Straw Shaker Bottle

Item# FI01SB

Shake things up with the wheat straw shaker bottle—a smart, stylish way to stay hydrated! This eco-friendly companion is packed with features: an easy-grip design, wide drinking spout, spill-proof cap, 20 oz. capacity (at the fill line), and a handy carry loop. Tough enough to handle life's twists and turns, it's the perfect partner for workouts, adventures, or the daily grind. Add your brand to every refreshing sip and keep the good vibes flowing!

Nurse Fanny Pack Organizer

Item# ASL1014

Why shouldn't a medical professional wear a tool belt? This nurse pack organizer belt is water-resistant and washable, making it a go-to option for nurses wanting to keep essential, everyday equipment close at hand. Carry a stethoscope, scissors, pen, bandages, tape, and more at your waist for easy access.

Primary Care Bandage Dispenser

Item# 3500

Say goodbye to crumpled bottom-of-your-bag bandages with this sleek dispenser! Holding five latex-free bandages, it's designed to be stylish and practical. The contemporary look fits right in with modern lifestyles, and it's super easy to refill. With vibrant color printing available, your brand will look great in any first-aid moment.

Moleskine® Passion Journal

Item# 100225-333

Wellness goals? Meet your patients' new BFF! The Moleskine® Wellness Journal is a fun, inspiring way to track fitness, nutrition, and your health journey. Packed with tips on nutrition and exercises to boost strength, it's a personal cheerleader in book form. Four organized sections—Personal Goals, Fitness, Diet, and Health & Care—make tracking progress a breeze, while blank pages in the back leave space for extra inspiration. It's a wellness win from start to finish.

Nike® Long Sleeve Dri-FIT Polo

Item# TSB466364

Elevate any professional wardrobe or athletic uniform with the Nike Long Sleeve Dri-FIT Stretch Tech Polo, perfect for healthcare teams or office staff. This premium polo, designed with Dri-FIT moisture management technology, keeps wearers cool and dry, even during the busiest shifts. The stretch fabric ensures comfort and freedom of movement, making it ideal for active environments. With a sleek screen print area on the chest and back (4" W x 4" H), it's a standout option for showcasing your organization's logo or brand. The flat knit collar and cuffs add a touch of polish for a professional, refined look, while the long sleeves offer added coverage. Crafted with quality and style in mind, this polo is a reliable and stylish choice for any healthcare team or workplace.

Dickies EDS® Signature Unisex Shirt

Item# SPI83706

This versatile unisex V-neck top combines functionality with a polished look, which is perfect for healthcare professionals. Featuring the iconic Dickies® logo twill tape at the back neck, it includes a practical front chest pocket with a bar-tacked pencil slot for added utility. Side vents ensure extra comfort during long shifts, while the 28-inch center back length provides a professional fit.
