Why Promotional Products?

Promotional products help you reach your target audience in a way that no other advertising medium can! They are an incredibly powerful marketing tool since they allow a brand to connect with consumers by engaging their senses.

70% of consumers say they're likely to switch brands if they've received a promotional product they really like.

8 in 10 of consumers like receiving promotional products.

7 in 10 of consumers wish they received promotional products more often.

85% of product recipients did business with the advertiser who gave them the item.
